“ Becky, Westin, Carson and family,
I am so very sorry for your loss. It was my pleasure to meet Monna once (Westin's birthday party years ago in Wilmington?). She left a lasting impression on me, just from that brief meeting. A very cheerful, bright and strong lady who I am sure was a bright spot in the lives of everyone who knew her. Much love, prayers, hugs and sympathy to you and your family.

“ Tom, Bill, Rick, Becky and families,
I am so sorry to hear of your mom's passing. She was a wonderful person, and always looked on the bright side.
I wish there was something I could say to "make it all better". But at times like these, words do not suffice.
Please know that you are in my thoughts and prayers.

“ Jerry and Ricky and family,
Was glad to live down the road in the rental, and happy to of had Monna as a friend, a very compassionate and caring woman whom I enjoyed visiting with and sharing garden vegetables, she always had time to talk to me. I knew her for years, but got to know her better from 2010 to 2014.
Prayers and sympathy to all
