“ I am sorry to hear of Dick's passing. I worked with Dick when I served on the Board of Zoning Appeals with Orange Township many years ago and he was the Zoning Inspector. I always enjoyed meetings with him due to his big personality, kindness and great sense of humor. I learned a lot in those years and when I left Orange Twp and moved to neighboring Liberty Twp. I took what he had taught me and then served on Liberty Twp.'s BZA and Zoning Commission. Although I did not stay in touch, I thought of him often. Much sympathy to the family,

“ Dick was my mentor for many years. I followed his lead and took the same philosophy of "zoning" when I launched out on my own in Genoa Township. We remained in touch and met monthly to catch up. After he retired I remained in touch because he still had so much to teach me! He was a really compassionate soul who passionately shared his heart with others. I am sad that I did not get to visit with Dick at all this year. I know his family will miss him as I already do too. But I believe I will meet up with Dick in the future, in Heaven. For now that is where I believe he is rejoicing because he reunited with his wife! I trust I will see my mentor again in the future!
